

SOCIETY OF
**LAKE
MANAGEMENT
PROFESSIONALS**

Consider joining your peers in the SOCIETY OF LAKE MANAGEMENT PROFESSIONALS which has banded together like minded professionals with the goal of. . .

. . .fostering an appreciation for and enhancing the management of ponds and lakes, managed by private companies, with particular concern for the aesthetic and recreational uses and stewardship of such waters. Using tools such as innovation, education, representation, accreditation , and standardization for best management practices.

What SLMP hopes to accomplish is to provide a unified National voice to:

- Advocate and promote wise stewardship of privately owned water based on science
- Promote and recruit fishing opportunities
- Protect profitability
- Enhance education and networking opportunities
- Encourage long-term sustainability of our precious water resources for future generations

Annual Dues

- Student - \$20
- Associate* - \$100
- Accredited - \$250
- Corporate - \$500

*Associate - Government, academia and extension
