

# STUDENT GRANTS PROGRAM 2025-26

**Do Real Conservation Work. Build Your Future. Get Funded.**

*Want to work outdoors, use cool equipment, and make a real difference in the environment?*

The Society of Lake Management Professionals (SLMP) funds student-led projects that improve lakes, ponds, and aquatic systems.

## Project Ideas:

- ✓ Water quality testing & pond health
- ✓ Aquatic weed & algae management
- ✓ Fisheries & habitat work
- ✓ Conservation & watershed science
- ✓ Stormwater pond improvements

## Why Apply?

- ✓ Gain real-world experience
- ✓ Get mentored by industry pros
- ✓ Present at the SLMP National Summit
- ✓ Build your resume or SAE project
- ✓ Explore college majors & careers

## Who Can Apply?

- ✓ High school & undergraduate students.

## Funding

- ✓ Up to \$10,000 total available for projects.

## Application

- ✓ See [lakeprofessionals.org](https://lakeprofessionals.org) for full requirements.
- ✓ **Deadline: January 15, 2026**
